The After I’m Gone Program assists families who have a child or an adult with a disability in planning for their future when they are no longer able to provide care. This program is offered free of charge by The Arc Western Wayne County and The Arc Northwest Wayne County, with space sponsored by The Western Wayne Skill Center and funding provided by The Detroit Wayne Mental Health Authority.

**Trustee**
A Trustee is a person or entity responsible for watching over a trust and following its instructions on when and how to distribute the assets. This Program will provide you with information on Special Needs Trusts and the role of the Trustee.

**Advisor to the Trust**
The Advisor to the Trust assists the trustee of your child’s Special Needs Trust by providing information about public benefits, special education services, Community Mental Health services and other programs, laws and regulations that the Trustee may not be familiar with.

**Personal Agent**
The Personal Agent provides intensive advocacy on behalf of your son or daughter. That advocacy might involve periodic visits, phone calls, contact with support circle members or attending meetings.

**The Letter of Intent**
The letter of intent is a document that communicates important information and guidelines to people who may become responsible for the care of your son or daughter. The Arc can provide you with a template from which you can develop your own letter of intent for your son or daughter.
